

FUEL

- FOR -

FATHER'S DAY

Thanks for getting involved to have MAF Fuel for Father's Day Cards this year. Follow these simple steps and we promise it'll be an event to remember!

- IN THE LEAD UP -

1 *Open your shipper*

Download the resources that you need from www.maf.org.au/fathersdayresources

2 *Spread the word!*

Advertise Fuel for Father's Day in the Church News for the month of August and prepare for Jerrycan Sunday on the last Sunday of the month.

- AT THE CARD STAND -

3 *PRAY!*

We believe that God is in this! Don't worry about any aspect of this process. Whether people choose to donate or not, we have made people aware of what God is doing through MAF and so that is a win!

5 *Getting started*

If this is your first time hosting a Fuel for Father's Day or just need a little help getting started check out this video on how to set up: www.maf.org.au/video

4 *Everything you need is in this pack*

We've provided you with posters, cards, a table cover and the sign-up sheets for your "Fuel for Father's Day" stand! You can use the materials as best suits your church.

6 *Wait for the rush!*

Payments for cards can be made with cash, cheque or credit card. Direct donors to fill out the provided credit card slip or tax receipt form as needed. Alternatively, point donors to scan the QR code on the table cover to make a payment online.

- POST EVENT -

7 *Count Payments*

After Jerrycan Sunday, simply add up the donations and the cards left. We will send you a quick online survey so you can tell us how many cards were left and let you make other comments. Give the money to the treasurer, with the banking details and the MAF ID number.

9 *Have a Happy Father's Day*

We give thanks to God our Father, for His provision and care. We commit our Dad's to Him and pray that He blesses them with all they need to be men of God. Amen.

8 *Deposit your funds*

Ask the Treasurer to deposit the funds into our account, remembering to include the MAF ID and using "FD22" as reference. If electronic transfer is not available, write a church cheque for the cash sales.

Account name: MAF Australia. **BSB:** 032-164.
Account number: 183 831.

Return the tax receipt form, credit card slips and any cheques using the self-addressed envelope.

- A WORD ABOUT LEFTOVERS-

Some card handlers have expressed concerns that having leftover cards or recycling cards is a significant waste of money. Thankfully, we have negotiated very good printing costs for all components. Spread across all participating churches, the total cost per church is very low indeed. Even better, the production costs have been covered by very generous donors elsewhere. We would rather have a few cards left over than you run out before everyone at church gets theirs.

During the days immediately before Father's Day, feel free to give any leftover cards to someone who can't afford to give their dad anything. Thoughtfully recycle or dispose of the other items such as the posters, price lists and table cover.
