Reflection: But Take Heart!

“I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world.” John 16:33 (NIV)

In MAF, we talk a lot about the troubles in this world and serving people in places of great difficulty. As we celebrate 80 years of MAF, we look back and marvel at the amazing ways that God has worked in and through times of miraculous provision, devastating loss and daily struggle. There have been times when it seemed as if MAF would cease operating. And yet, by God’s grace, MAF still serves today in places of isolation, poverty, and conflict.

Jesus lived on earth for over 30 years. He was familiar with daily ups and downs, as well as the massive upheavals. Jesus lost a parent (Joseph) when he was young, and he lived under an oppressive regime. Jesus knew what it was to be poor, a refugee, and misunderstood by his family.

Troubles are part of life when we live in a fallen world, but that’s not the end of the story.

“But,” Jesus says, ‘take heart!’ I love this sentence. It even ends in an exclamation mark, which means we need to pay attention.

There is something else happening that we need to remember.

And Jesus tells us. “I have overcome the world.”

Though the world may rage around us, in our communities, families and even in our own bodies, we are ultimately safe in His arms.

“And surely I am with you always, to the very end of the age.” Matthew 28:20

God is with us, and we have confidence in and assurance of Salvation and His ultimate victory over every devastation.

“Let us hold unswervingly to the hope we profess, for He who promised is faithful.” Hebrews 10:23

Celebrate with us as we remember what God has done in the past 80 years, trust in God’s faithful presence right now and look forward with anticipation and God’s guidance to the future.
